C. Date Space is Needed: 07/01/00

D. Description of Program Activity (including name of and type of functions performed by office/lab/branch).

This space is primarily as office space with the exception of a small portion (299 sq. ft.) of lab space. The NICHD and NIDDK are currently occupying the space.

E. Are there any location requirements? If so, justify the require location.

This facility is located across the street from the NIH Campus making it very convenient.

II. Programmatic Justification for Space Request:

This is a continuing need request for the space. The lease expires in the Year 2000, and should be renewed.

III. Explain why current ICD space cannot be used to accommodate proposed program:

This is not a new requirement. Neither ICD in this building have space on Campus to accomodate these programs.

IV. Staffing:

Presently, NICHD has 21 staff and NIDDK has 13 staff at this facility.
